ABSTRACT

Designed to assist local officials in examining their library media collections and staff according to the recommendations in the Criteria for Modern School Library Media Programs, this factbook lists statistical data on school library media programs in the state of Maryland. The entries are arranged alphabetically by local educational agency name (i.e., city or county school district name) and each entry contains three tables: (1) data on school library media collections; (2) data on the number and percentage of items by school for meeting state criteria for school library media collections; and (3) data on the number of schools meeting state criteria for the staffing of school library media centers. State totals are presented for System Level Professional Library Media Centers in four areas: system level grand total collections, system level print collections, system level nonprint collections, and system level library media center professional and support personnel. The costs of textbooks and library resources are noted. For nonpublic schools, data on each school's library media center collection is listed, and they are arranged by local educational agency. INTRODUCTION

This collection of statistical data on school library media programs is designed to assist local educational agencies in examining their library media collections and staff according to the recommendations in the Criteria for Modern School Library Media Programs.

The tables are arranged alphabetically by local educational agencies and each has three tables to clarify their situations:

- -School Library Media Collections (ESEA Title IV-B, ECIA Chapter II and Non-Federal)
- -Number and Percentage of Items by School for Meeting State Criteria Regarding Collections
- -Number of Schools Meeting State Criteria for Staffing of School Library Media Centers

Total State tabulations are presented on System Level Professional Library Media Centers:

- -System Level Grand Total Collection (including ESEA Title IV-B, ECIA Chapter II Additions and Equipment) and Project LIFE Requests
- -System Level Print Collection, including ESEA Title IV-B and ECIA Chapter II
- -System Level Nonprint Collection, including ESEA Title IV-B and ECIA Chapter II
- -System Level Library Media Center Professional and Support Personnel

The expenditures for textbooks and library resources are included to indicate amounts spent and the variance.

The nonpublic schools only have the School Library Media Center Collection listed, and are arranged by local educational agency.

The data for this document was secured from the Annual Library Media Center Reports:

- -MSDE LDS FORM Public 17200-02-10/82 (1982-83)
- -MSDE LDS FORM Nonpublic 17200-02-10/82 (1982-83)
- -MSDE LDS FORM System Level 17200-03-01/83 (1982-83)

Holdings secured with federal funds and on loan to the nonpublic schools appear on the nonpublic school tables, under ESEA Title IV-B and ECIA Chapter II.

Data in this report was compiled and prepared by Rosa L. Presberry, Specialist in School Library Media Services; Jeannette Koch, Office Secretary II; Marlene Johnson, Office Secretary III; and Eldridge Branch, Office Secretary I. Frank Windsor, Director, Office of Management and Information Systems; Lois Brown, Chief of Data Processing; Charles Sank, Data Processing Programmer/Analyst Specialist I; Glenn Donithan, Data Processing Programmer I, cooperated with the School Media Services Branch to process the statistical data. Special thanks are due to Nora Eagle, Data Device Operator IV, Office of Management Information Systems.
